Prime contractors will be required to provide local and Aboriginal participation plans prior to selection and regular reporting on local and Aboriginal participation through construction. Our team has been meeting with Aboriginal communities, educational institutions, business organizations and economic development agencies throughout British Columbia to identify capable and qualified local businesses. These businesses will then be invited to bid on project work. Please complete our [vendor registration form](#) to be a part of this process.

The elected councils of all 20 First Nations along the pipeline that will feed LNG Canada's export terminal have reached agreements with the proponents of that project. Haisla, Kitselas, Skin Tye First Nation, Nee Tahi Buhn Indian Band, Yekooche First Nation, Wet'suwet'en First Nation, Doig River First Nation, Halfway River First Nation, Blueberry River First Nations, Burns Lake Indian Band (Ts'il Kaz Koh First Nation), Nadleh Whut'en First Nation, Lheidli T'enneh First Nation, West Moberly First Nations, Kitselas First Nation, Sauteau First Nations, McLeod Lake Indian Band, Cheslatta Carrier Nation, Saik'uz First Nation and Stelat'en First Nation.

TransCanada Corporation contractors for the Coastal Gaslink:

- **Surerus Murphy Joint Venture**
- **SA Energy Group**
- **Macro Spiecapag Joint Venture**
- **Pacific Atlantic Pipeline Construction Inc.** (a Canadian company of the Bonatti group) contracts

Surerus Murphy is a strategic joint venture company set up between a well-known Canadian Pipeline business and a UK based international infrastructure group. Headquartered in Calgary for the last 2 years, we have already been successful in securing several large diameter pipeline projects in Alberta. Currently we have more than 700 employees and we expect that number to grow to nearer 2,000 over the next 12 months. Surerus Pipeline Inc. and Surerus Murphy Joint Venture are currently accepting resumes for upcoming projects within the province of British Columbia. General application here: <https://theapplicantmanager.com/jobs?pos=UP159>

SA Energy Group is a unionized pipeline construction contractor and an active member of the Pipeline Contractors Association of Canada. We will engage our union partners (International Union of Operating Engineers, United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry, International Brotherhood of Teamsters and Labourers International Union of North America) to provide qualified and competent labour for the Project.

Macro Industries If you are interested in becoming a part of the Macro team, please submit your resume to: Email: dispatch@macroindustries.ca Fax: 250-785-0045 (Attention: Dispatch) Head Office is in Fort St John, BC.

Pacific Atlantic Pipeline Construction will be directly responsible for hiring a projected 700 workers over the project construction period, with special emphasis placed on hiring locally first, giving priority to qualified local and Indigenous businesses in Northern B.C. For employment opportunities please contact: careers.papc@shaw.ca. Or apply online here: http://recruiting.bonatti.it/RecruitSelection/jsp/hvse_pindex.jsp?m_cMode=hyperlink&m_cParameterSequence=
